TITLE 237 – Nebraska Liquor Control Commission

Chapter 6 – LICENSEE OPERATIONS

019.01F Disturbance: No licensee or partner, principal, agent or employee of any licensee shall allow any unreasonable disturbance; as such term is defined hereunder, to continue without taking the steps, as set forth hereunder, within a license premise or in adjacent related outdoor areas.

019.01F1 A "Disturbance" as used in this section shall mean any brawl, fight, or other activity which may endanger the patrons, employees, law enforcement officers, or members of the general public within licensed premises or adjacent related outdoor areas. Such term shall include incidents involving, but not necessarily limited to: drug dealing; intoxicated individuals; <u>or the</u> soliciting of prostitution; ~~or any physical contact between the licensee's agents or employees and its customers, involving any kissing, or any touching of the breast, buttock or genital areas~~. Any brawl fight or other activity which results in serious injury to any patron, employee or members of the general public shall be reported to law enforcement. Serious injury means any gunshot ~~would~~ <u>wound</u>, knife or other stab wound or any other injury requiring medical treatment. Licensees and their employees shall not prohibit or interfere in any way with a patron who chooses to contact law enforcement in the event they are assaulted on the premises.
