5. Constituent initiated No.

6. Financial needs – increases/decreases in fees: Yes. Decrease in fees.

7. Litigation requires changes in rules No.

8. Addresses legal or constitutional concerns of Attorney General's office No.

9. Implements federal or court mandate No.

10. Other (explain)

C. <u>What happens if these rules are not adopted?</u>

Medicaid will not be following the State Budget Appropriations plan.

D. <u>Policy Checklist</u>

1. Is this an update or editorial change reflecting essentially no change in policy? No.

2. Does the policy in the proposed regulation reflect legislative intent? Yes.

3. Is the policy proposed in the regulation a state mandate on local government? No. Is it funded? No.

4. Is the policy proposed in the regulation a federal mandate on local government? No. Is it funded? No.

E. <u>Fiscal Impact. In addition to completing the required Fiscal Impact Statement (a copy must be attached to this document), the agency must address the following:</u>

1. Will the proposed regulation reduce, increase, or have no change in resources – funds, personnel or FTE

   Decreased cost to state.

2. Have initial contacts been made with citizens or organizations that may be impacted by the proposed regulation? Yes ;

3. Does the proposed regulation impact another agency? No. Explain the impact.

4. Will the proposed regulation reduce, increase, or have no change on reporting requirements of businesses? No change.

5. What is the agency's best estimate of the additional or reduced spending? If there is none, please note. If receipt of federal funds is contingent upon approval of the proposed regulation, then indicate the amount and nature of the federal funds affected, and enclose laws or correspondence from federal officials substantiating the information.

   Estimated decrease in general fund spending $403,374. Please see Fiscal Impact Statement.

6. Include a description of the impact that the proposed regulation will have on the number of state employees and how the agency intends to address proposed increases or decreases in FTE.

   No impact.

F. <u>Unique problems or issues and recommendations.</u>

Annual limit exemptions are in place for dental services for emergencies, for extensive medically necessary treatment for special needs and ill patients and denture services.

G. <u>Who is expected to be affected, or to oppose or support the proposed regulation? Explain what initial informal contacts have been made with organizations or citizens who may be affected by the regulation prior to the public hearing.</u>

Providers have been informed of this proposed change. There has been opposition from providers and stakeholder organizations.

H. Are these proposed rules a likely candidate for negotiated rulemaking? Explain. Has the process been completed? If so, explain how the issues were addressed.

No.

Agency Director's Verification of Review

I have reviewed these proposals and verify that, at this stage of the regulation's development, these questions have been accurately addressed.
