

Federal Surplus Property

Donation Program

Property obtained from the Nebraska State Agency must be placed in use within one year from the date of donation and must remain in use for a period of one year to eighteen months thereafter. Personal use of Federal Surplus Property is a violation of Federal Law. To become eligible for participation in the program please respond in writing or telephone the Nebraska State Agency for Surplus Property and request an application for eligibility. The forms will be reviewed upon receipt and you will be notified concerning eligibility. Please note only agencies as listed are eligible to participate. The agency IS NOT open to the general public.
