Comes now Affiant, Meghan Brewer, being first duly sworn, and states as follows:

I am employed as a Child Care Inspection Specialist with the Nebraska Department of Health and Human Services, Division of Public Health, Office of Children's Services Licensing (hereinafter "Department").

The records of the Department show that Danielle Phelps holds a Home I License, with a capacity of 10, licensed for 24/7 care, at 6032 Binney St. Omaha Ne. 68104.

Children's Services Licensing (CSL) conducted an unannounced complaint investigation on 10/17/2013 at 1:00 p.m. On that date CCIS Meghan Brewer and CPS worker Katie Jankowski arrived at Danielle Phelps home and observed the following:

- No answer at front or back door of home
- Smell of marijuana and side door to the detached garage was open.
- Three of Danielle Phelps children in the garage, and identified a _____ and Lakeitha Moore age 22. Lakeitha was observed smoking a cigarette. The inside of the garage had a strong odor of marijuana.
- _____ stated to Jankowski that they, as well as Lakeitha, were smoking marijuana. Lakeitha denied smoking anything but a cigarette in the garage.
- The garage was located approximately 25 feet from the licensed home.
- Inside the child care home, there were four children, C- age , SW- age , A- age , and K- age .
- C and SW were napping in the living room on mats. Child - K was in the bedroom, asleep on the bed., and child A was wandering around the living room.
- No other adults were observed in the home with the children.
- Lakeitha, _____ were not in sight or sound of any of the children.
- Danielle Phelps was not home at the time of the unannounced investigation.

- Phelps was "out of town" according to Lakeitha. Lakeitha stated that she did not know where Danielle was, or when she was going to return.
- Lakeitha stated that she had been caring for the named children since Monday October 14, 2013 and was planning on caring for the children through the end of the week. She could not recite ages, and provided the first names of the children only.
- Licensing file review shows that Lakeitha and _____ are not on the most current application.
- No current background checks have been completed for Lakeitha and _____ Criminal Record check of Oct. 18, 2013, shows that Lakeitha has an active warrant for Trespassing.
- Lakeitha informed Department staff she did not know where the Children's Records were located. Those records should contain parent and emergency contacts, as well as other required child information.
- Danielle was contacted by phone by Lakeitha. Danielle spoke to Brewer and stated that she would call all the parents of the children in care to let them know of the situation.
- Jankowski requested that Lakeitha take a drug test, which Lakeitha refused.
- Danielle stated to Brewer, that she was only gone for 48 hours.
- Danielle was not aware that her daughter Lakeitha had a warrant out for her arrest for Trespassing.
- Danielle was in Charlotte, North Carolina opening up a boutique per her statement to Brewer. This was a planned absence.
- When contacted by Child Protective Services, Danielle did not ask if the child care children were safe, nor inquire about the children's well being at all.
- Danielle showed a lack of concern of the consequences for the situation.
- Danielle did not acknowledge any responsibility for the situation that had occurred at her licensed child care. Danielle stated that she does not let anyone smoke on her property

Based on the information above, it is my professional opinion that there is an immediate risk of harm to children in care and this is an emergency situation which requires immediate action to protect the physical well-being and safety of children enrolled in this child care program which operates Sunday through Saturday, 24 hours a day.
