2018), a Class ID felony. Respondent stated that he freely and voluntarily surrenders his privilege to practice law in the State of Nebraska; waives his right to notice, appearance, or hearing prior to the entry of an order of disbarment; and consents to the entry of an immediate order of disbarment.

### ANALYSIS

Neb. Ct. R. § 3-315 of the disciplinary rules provides in pertinent part:

(A) Once a Grievance, a Complaint, or a Formal Charge has been filed, suggested, or indicated against a member, the member may voluntarily surrender his or her license.

(1) The voluntary surrender of license shall state in writing that the member knowingly admits or knowingly does not challenge or contest the truth of the suggested or indicated Grievance, Complaint, or Formal Charge and waives all proceedings against him or her in connection therewith.

Pursuant to § 3-315 of the disciplinary rules, we find that respondent has voluntarily surrendered his license to practice law and knowingly does not dispute the allegations that he has been charged with a criminal offense. Further, respondent has waived all proceedings against him in connection therewith. We further find that respondent has consented to the entry of an order of disbarment.

### CONCLUSION

Upon due consideration, the court accepts respondent's voluntary surrender of his license to practice law, finds that respondent should be disbarred, and hereby orders him disbarred from the practice of law in the State of Nebraska, effective immediately. Respondent shall forthwith comply with all terms of Neb. Ct. R. § 3-316 (rev. 2014) of the disciplinary rules, and upon failure to do so, he shall be subject to punishment for contempt of this court. Accordingly, respondent is
