006.02 Resident Deployed Military Permits

The following regulations are prescribed by the Game and Parks Commission, State of Nebraska in accordance with 37-421.01.

006.02A Purpose:

A Nebraska resident who was issued a valid big game permit (to include antelope, deer, elk, mountain sheep and wild turkey) and who was deployed out of the state with a branch of the United States military shall, upon returning to the state, be entitled to receive, on a one-time basis, a big game permit for a fee of \$5.00. Eligible residents may elect to

receive a refund of big game permit fees in lieu of receiving a \$5.00 permit. Additionally, a Nebraska resident who is or has been deployed out of the state with a branch of the United States military within the last twelve months shall be entitled to receive an annual combination fishing and hunting permit, habitat stamp, aquatic stamp and Nebraska migratory waterfowl stamp on a one-time basis upon returning to the state for a fee of \$5.00.

006.02B Process:

Big Game Permits: Eligible Nebraska residents, upon application, must provide the Commission, at its Headquarters, district or Omaha offices, the original valid permit (or duplicate) purchased and a copy of their official deployment orders verifying they were deployed out of state for the entire established season for which the valid permit was issued.

Annual Combination Permits: Eligible Nebraska residents, upon application, must provide the Commission, at its Headquarters, district or Omaha offices, a copy of their official deployment orders verifying the resident was deployed out of state within the past twelve months.

006.02B1 Discounted permits will be issued on a one-time basis to eligible residents and must be requested for the first established season following their return to the state. Discounted permit fees cover the permit only, any required stamps must be purchased in addition to the discounted permit.

006.02B2 Annual hunt and fish permits will be issued year-round. In the case of big game permits, applications will not be processed until the first "buy" application period of that permit type; permits will be issued through the end of the affected season.

006.02B3 Refunds for big game permit fees, in lieu of discounted permits, shall be issued by
