NOTICE OF PUBLIC HEARING

October 11, 2019  
10:00 a.m. Central Time  
Gold's Building, Room 534  
1033 O Street, Lincoln, Nebraska

The purpose of this hearing is to receive comments on proposed changes to Title 172, Chapter 2 of the Nebraska Administrative Code (NAC) – *Fees*. This chapter sets fees for issuance and renewal of credentials for professions, occupations, and businesses regulated under the Uniform Credentialing Act and for inspections and reinspections. The proposed changes remove duplicative statutory language from the regulations; add fees for newly regulated professions or occupations and remove fees for professions and occupations that are no longer regulated; update credential names to be consistent with legislative changes; and update formatting.

Credentials added to this chapter include: dental sedation permits for deep, minimal, and moderate sedation; dental hygienist expanded function permit and additional competency permit; dental assistant license, expanded function permit, and additional competency permit; dialysis patient care technician; genetic counselor; surgical first assistant; and animal therapist licenses in acupuncture, chiropractic, chiropractic veterinary orthopedic manipulation (VOM), massage therapy, and physical therapy.

Credentials removed from this chapter include: dental anesthesia permits for parenteral sedation and inhalation analgesia; cosmetic establishments; guest artists in cosmetology, body art, and nail technology; and licensed practical nurse-certified.

Authority for these regulations is found in Neb. Rev. Stat. § 81-3117(7).

Interested persons may attend the hearing and provide verbal or written comments or mail, fax or email written comments, no later than the day of the hearing to: DHHS Legal Services, PO Box 95026, Lincoln, NE 68509-5026, (402) 742-2382 or [dhhs.regulations@nebraska.gov](mailto:dhhs.regulations@nebraska.gov), respectively.

A copy of the proposed changes is available online at <http://www.sos.ne.gov>, or by contacting DHHS at the mailing address or email above, or by phone at (402) 471-8417. The fiscal impact statement for these proposed changes may be obtained at the office of the Secretary of State, Regulations Division, 1201 N Street, Suite 120, Lincoln, NE 68508, or by calling (402) 471-2385.

~~TITLE 172 — PROFESSIONAL AND OCCUPATIONAL LICENSURE~~

~~CHAPTER 2 — FEES~~

~~2-001 SCOPE AND AUTHORITY: These regulations establish fees related to the credentialing of individuals and businesses providing health and health-related services under the Uniform Licensing Law (ULL) and, starting December 1, 2008, the Uniform Credentialing Act (UCA).~~

~~The credentialing system includes the entire credentialing infrastructure and the process of issuance and renewal of credentials, examinations, inspections, investigations, continuing competency, compliance assurance, and the credentialing review process.~~

~~The fees established by these regulations supersede all other fees adopted and promulgated by the Department for the credentialing of these individuals and businesses.~~

~~2-002 DEFINITIONS~~

~~Credential means a license, certificate, or registration.~~

~~Department means the Department of Health and Human Services, Division of Public Health.~~

~~2-003 ADMINISTRATIVE FEES~~

- ~~1. \$25 will be retained by the Department from the credentialing fee when a credential is denied or an application is withdrawn. If the credentialing fee is less than \$25, the fee is forfeited. Examination fees are not returned.~~
- ~~2. \$10 for a duplicate original or reissued credential.~~
- ~~3. \$25 for certification of a credential. This includes a certified statement that provides information regarding the basis on which a credential was issued, the date of issuance, and whether disciplinary action has been taken against the credential.~~
- ~~4. \$5 for verification of a credential. This includes written confirmation as to whether a credential is valid at the time the request is made.~~
- ~~5. Until December 1, 2008, \$25 to place a credential on inactive status. On or after December 1, 2008, there will be no fee for inactive status.~~

~~2-004 LICENSEE ASSISTANCE PROGRAM (LAP) FEE:~~ A \$1 LAP fee per year is included in each initial credential and renewal fee listed in 172 NAC 2-010.

~~2-005 LATE FEES AND REINSTATEMENT FEES UNTIL DECEMBER 1, 2008:~~ The Department will collect:

- ~~1. A \$25 late fee in addition to the renewal fee to renew a credential within 30 days after the credential's expiration date.~~
- ~~2. A \$35 late fee in addition to the renewal fee to reinstate a credential not more than one year after the date of revocation for failure to meet the renewal requirements.~~
- ~~3. A \$75 late fee in addition to the renewal fee to reinstate a credential more than one year after the date of revocation for failure to meet the renewal requirements.~~
- ~~4. A \$75 fee to reinstate a credential following suspension, limitation, or revocation for disciplinary reasons.~~

~~2-006 REINSTATEMENT FEE ON OR AFTER DECEMBER 1, 2008:~~ The Department will collect a reinstatement fee of \$35 in addition to the renewal fee to reinstate an expired or inactive credential. There will be no late fees on or after December 1, 2008.

~~2-007 PRORATION OF CREDENTIALING FEES:~~ When a credential will expire within 180 days after its initial issuance date and the initial credentialing fee is \$25 or more, the Department will collect \$25 or one fourth of the initial credentialing fee, whichever is greater, for the initial credential. The credential will be valid until the next subsequent renewal date.

~~2-008 BASE COSTS, VARIABLE COSTS, AND ADJUSTMENTS:~~ The ULL/UCA requires the Department to determine the cost of the credentialing system by calculating the total of the base costs, variable costs, and certain adjustments to revenue, such as earned interest and collection of administrative, reinstatement, and other miscellaneous service fees. Credentialing fees are the primary source of revenue to cover this cost.

- ~~1. Base costs of credentialing are the costs common to all professions and businesses under the ULL/UCA and include:
  - ~~a. Salaries and benefits for employees of the Department who work with credentialing activities;~~
  - ~~b. Shared operating costs for credentialing activities that are not specific to a particular profession or business such as indirect costs, rent, and utilities;~~
  - ~~c. Costs related to compliance assurance, including investigative costs, contested case costs, and compliance monitoring;~~
  - ~~d. Costs of the Licensee Assistance Program;~~~~

- e. ~~Capital costs, including office equipment and computer hardware or software, which are not specific to a particular profession or business; and~~
  - f. ~~Other reasonable and necessary costs as determined by the Department.~~
2. ~~Variable costs of credentialing are the costs unique to a specific profession or business under the ULL/UCA and include the following:~~
- a. ~~Per diems which are paid to members of the appropriate board;~~
  - b. ~~Operating costs that are specific to a particular profession or business, including publications, conference registrations, and subscriptions;~~
  - c. ~~Costs for travel by members of the appropriate board and employees of the Department related to a particular profession or business, including car rental, gas, and mileage charges but not salaries;~~
  - d. ~~Costs to operate and administer the Nebraska Center for Nursing, which costs are derived from credentialing fees of registered and practical nurses in accordance with the Nebraska Center for Nursing Act; and~~
  - e. ~~Other reasonable and necessary costs as determined by the appropriate board or Department.~~

2-009 CREDENTIALING FEES: ~~The Department, with the recommendation of the appropriate board if applicable, is authorized to establish and collect credentialing fees for:~~

- 1. ~~Initial credentials, including:~~
  - a. ~~Licensure, certification, or registration;~~
  - b. ~~Add-on or specialty credentials;~~
  - c. ~~Temporary, provisional, or training credentials; and~~
  - d. ~~Supervisory or collaborative relationship credentials;~~
- 2. ~~Applications to renew licenses, certifications, and registrations;~~
- 3. ~~Approval of continuing education courses and other methods of continuing competency; and~~
- 4. ~~Inspections and reinspections.~~
