Any interest or dividends shall be either forwarded promptly upon receipt to the grantor or deposited in a separate account established in the grantor's name.

(011.03(C)) The trustee may be given authority to invest, and accept substitutions of, any funds in the account, provided that no investment or substitution shall be made without prior approval of the beneficiary, unless the trust agreement specifies categories of investments acceptable to the beneficiary and authorizes the trustee to invest funds and to accept substitutions that the trustee determines are at least equal in market value to the assets withdrawn and that are consistent with the restriction in (011.04(A)(2)).

Further, the reduction for the existence of an acceptable trust account may be up to the current fair market value of acceptable assets available to be withdrawn from the trust account at that time, but such reduction shall be no greater than the specific obligations under the reinsurance agreement that the trust account was established to secure.

(011.06) Existing agreements. Notwithstanding the effective date of this regulation, any trust agreement or underlying reinsurance agreement in existence prior to the effective date of this regulation, will continue to be acceptable until December 31, 2015, at which time the agreements will have to fully comply with this regulation for the trust agreement to be acceptable.

012. Letters of Credit Qualified under Section 010

(012.01) The letter of credit must be clean, irrevocable, unconditional and issued or confirmed by a qualified U.S. financial institution as defined in § 44-416.08. The letter of credit shall contain an issue date and an expiration date, and shall stipulate that the beneficiary need only draw a sight draft under the letter of credit and present it to obtain funds and that no other document need be presented. The letter of credit shall also indicate that it is not subject to any condition or qualifications outside of the letter of credit. In addition, the letter of credit itself shall not contain reference to any other agreements, documents, or entities, except as provided in(012.08(A)). As used in this section, "beneficiary" means the domestic insurer for whose benefit the letter of credit has been established and any successor of the beneficiary by operation of law. - (012.04) The term of the letter of credit shall be for at least one year and shall contain an "evergreen" clause that prevents the expiration of the letter of credit without due notice from the issuer. The "evergreen clause" shall provide for a period of no less than thirty (30) days notice prior to expiration date or nonrenewal.
- -(012.05) The letter of credit shall state whether it is subject to and governed by the laws of this state or the Uniform Customs and Practice for Documentary Credits of the International Chamber of Commerce 600 (UCP 600) or International Standby Practices of the International Chamber of Commerce Publication 590 (ISP98), or any successor publication, and all drafts drawn thereunder shall be presentable at an office in the United States of a qualified United States financial institution.
- (012.06) If the letter of credit is made subject to the Uniform Customs and Practice for Documentary Credits of the International Chamber of Commerce Publication 600 (UCP 600) or International Standby Practices of the International Chamber of Commerce Publication 590 (ISP98), or any successor publication, then the letter of credit shall specifically address and provide for an extension of time to draw against the letter of credit in the event that one or more of the occurrences specified in Article 36 of Publication 600 or any other successor publication, occur.
- (012.07) If the letter of credit is issued by a qualified U.S. financial institution authorized to issue letters of credit, other than a qualified U.S. financial institution as described in (012.01), then the following additional requirements shall be met:

(012.07(A)) The issuing financial institution shall formally designate the confirming qualified United States financial institution as its agent for the receipt and payment of the drafts, and
(012.07(B)) The "evergreen clause" shall provide for thirty (30) days notice prior- to expiration date for nonrenewal.
(012.08) Reinsurance agreement provisions.
(012.08(A)) The reinsurance agreement in conjunction with which the letter of credit is obtained may contain provisions that:
(012.08(A)(1)) Require the assuming insurer to provide letters of credit to the ceding insurer and specify what they are to cover.
(012.08(A)(2)) Stipulate that the assuming insurer and ceding insurer agree that the letter of credit provided by the assuming insurer pursuant to the provisions of the reinsurance agreement may be drawn upon at any time, notwithstanding any other provisions in the agreement, and shall be utilized by the ceding insurer or its successors in interest only for one or more of the following reasons:
(012.08(A)(2)(a)) To pay or reimburse the ceding insurer for:
(012.08(A)(2)(a)(i)) The assuming insurer's share under the specific reinsurance agreement of premiums returned, but not yet recovered from the assuming insurers, to the owners of policies reinsured under the reinsurance- agreement on account of cancellations of such policies;
(012.08(A)(2)(a)(ii)) The assuming insurer's share, under the specific reinsurance agreement, of surrenders and benefits or losses paid by the ceding insurer, but not yet recovered from the assuming insurers, under the terms and provisions of the policies reinsured under the reinsurance agreement; and
(012.08(A)(2)(a)(iii)) Any other amounts necessary to- secure the credit or reduction from liability for reinsurance taken by the ceding insurer.
(012.08(A)(2)(b)) Where the letter of credit will expire without renewal or be reduced or replaced by a letter of credit for a reduced amount and where the assuming insurer's entire obligations under the specific reinsurance remain unliquidated and undischarged ten (10) days prior to the termination date, to withdraw amounts equal to the assuming insurer's share of the liabilities, to the extent that the liabilities have not yet been funded by the assuming insurer and exceed the amount of any reduced or replacement letter of credit, and deposit those amounts in a separate account in the name of the ceding insurer in a qualified

U.S. financial institution apart from its general assets, in trust forsuch uses and purposes specified in (012.08(A)(2)(a)) as may remain after withdrawal and for any period after the terminationdate.

-(012.08(A)(3)) All of the provisions of (012.08(A)) shall be applied without diminution because of insolvency on the part of the ceding insurer or assuming insurer.

(012.08(B)) Nothing contained in (012.08(A)) shall preclude the ceding insurer and assuming insurer from providing for:

(012.08(B)(1)) An interest payment, at a rate not in excess of the prime rate of interest, on the amounts held pursuant to (012.08(A)(2)); or

(012.08(B)(2)) The return of any amounts drawn down on the letters of credit in excess of the actual amounts required for the above or any amounts that are subsequently determined not to be due.

013. Other Security A ceding insurer may take credit for unencumbered funds withheld by the ceding insurer in the United States subject to withdrawal solely by the ceding insurer and under its exclusive control.

014. Reinsurance Contract Credit will not be granted, nor an asset or reduction from liability allowed, to a ceding insurer for reinsurance effected with assuming insurers meeting the requirements of Sections 004, 005, 006, 007, 008 or 010 of this regulation or otherwise in compliance with § 44-416.06 after the adoption of this regulation unless the reinsurance agreement:

(014.01) Includes a proper insolvency clause, which stipulates that reinsurance is payable directly to the liquidator or successor without diminution regardless of the status of the ceding company, pursuant to § 44-417 of the Insurance Code; and

-(014.02) Includes a provision pursuant to § 44-416.06 whereby the assuming insurer, if an unauthorized assuming insurer, has submitted to the jurisdiction of an alternative dispute resolution panel or court of competent jurisdiction within the United States, has agreed to comply with all requirements necessary to give the court or panel jurisdiction, has designated an agent upon whom service of process may be effected, and has agreed to abide by the final decision of such court or panel; and

(014.03) Includes a proper reinsurance intermediary clause, if applicable, which stipulates that the credit risk for the intermediary is carried by the assuming insurer.

015. Contracts Affected All new and renewal reinsurance transactions entered into after the effective date of this rule shall conform to the requirements of the Act and this regulation if credit is to be given to the ceding insurer for such reinsurance.
