REGULATIONS Wildlife – 003 Antelope, Deer, Elk

ACTION: Amendments to Existing Regulations

EXPLANATORY STATEMENT

Prepared by: Alicia Hardin, Wildlife Division Administrator

The Nebraska Game and Parks Commission is amending the above-referenced regulations as provided by law, and hereby submits this explanatory statement to accompany the regulation and describe their purposes and the changes made during the rulemaking process.

- I. Summary: Changes made to existing regulations.
- II. Overview of Purposes and Changes Made

Section 003 change last day approved.

003.02A1 Add language to the sub-part to include the Pine Ridge Mule Deer Conservation Area permit to the list of draw units. Add the non-resident antelope archery permit to the list of antelope permits that are considered draw units. Allow non-resident archery antelope hunters to either apply for a preference point or the archery permit.

Due to the high demand of the Pine Ridge Mule Deer Conservation area and non-resident antelope archery permit, these permits are being added to the draw units to allow hunters a chance to earn a preference point if they are unsuccessful at the drawing or apply for a preference point instead of being put in for the drawing.

The proposed regulation is consistent with the legislative intent established by Section 84-907.09. The proposed regulation is not the result of any state or federal mandate, rendering a state or federal funding mechanism not applicable. The Commission will solicit public comment prior to the date of a public hearing. The Commission did not use the Negotiated Rulemaking Act in developing the proposed regulation.
