

**Amendment Number 2 to the Interconnection Agreement
Between
AT&T Communications Of The Midwest, Inc.
and
Qwest Corporation
Nebraska**

This Amendment ("Amendment") is made and entered into by and between AT&T Communications of the Midwest, Inc. ("CLEC") and Qwest Corporation ("Qwest").

RECITALS

WHEREAS, CLEC and Qwest entered into an Interconnection Agreement (the "Agreement") for service in the state of Nebraska that was approved by the Nebraska Public Service Commission ("Commission"); and

WHEREAS, CLEC and Qwest desire to amend the Agreement under terms and conditions contained herein.

AGREEMENT

NOW THEREFORE, in consideration of the mutual terms, covenants and conditions contained in this Amendment and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties agree as follows:

1. Amendment Terms.

This Amendment is made in order to add the terms and conditions to enable CLEC to receive blocking reports on all interoffice trunk groups carrying EAS/local traffic between Qwest tandem switches and Qwest end office switches for Interconnection Trunk Reports as set forth in Attachment 1, attached hereto and incorporated herein.

2. Effective Date.

This Amendment shall be deemed effective upon approval by the Commission; however, the Parties may agree to implement the provisions of this Amendment upon execution. To accommodate this need, CLEC must generate, if necessary, an updated Customer Questionnaire. In addition to the Questionnaire, all system updates will need to be completed by Qwest. CLEC will be notified when all system changes have been made. Actual order processing may begin once these requirements have been met.

3. Further Amendments.

Except as modified herein, the provisions of the Agreement shall remain in full force and effect. Neither the Agreement nor this Amendment may be further amended or altered except by written instrument executed by an authorized representative of both Parties.

The Parties intending to be legally bound have executed this Amendment as of the dates set forth below, in multiple counterparts, each of which is deemed an original, but all of which shall constitute one and the same instrument.

BLOCKING REPORTS

Qwest shall provide to CLEC monthly reports on all interconnection trunk groups and quarterly reports on all interoffice trunk groups carrying EAS/local traffic between Qwest tandem switches and Qwest end office switches. The reports will contain busy hour traffic data, including but not limited to, overflow and the number of trunks in each trunk group.
