BY THE COMMISSION:

On April 21, 2017, an application was filed by Roberts Seed, Inc. ("Applicant"), Axtell, Nebraska, seeking authority as a Grain Dealer in Nebraska. Applicant has failed to submit the required surety bond, contract with the required "Warning to Seller" language, and year-end financial statement independently reviewed by a certified public accountant.

Commission staff have attempted to contact Applicant by email and telephone regarding the pending application. On March 16, 2018, Department Staff notified applicant by certified letter that the application would have been pending for one year on April 20, 2018. Failure to take action prior to that time could result in dismissal of the application. Applicant has failed to contact the Department since that time.

Based on the above, the Commission finds that a deadline for action to be taken by Applicant in this docket should be set. If the Commission does not receive any communication or direction from Applicant concerning this application by **May 21, 2018**, the Commission will dismiss the application for failure to take timely action.
