BY THE COMMISSION:

On July 28, 2015, the Nebraska Public Service Commission (Commission) entered an order opening the above-captioned proceeding to determine the appropriate fees for the Recreational Vehicle Program (Program) and to set a hearing. Notice of the proceeding appeared in The Daily Record, Omaha, Nebraska, on July 31, 2015.

The Commission is charged by statute to hold an annual public hearing to determine the level of seal fee and plan review fee necessary to carry out the provisions of the Recreational Vehicle Program (Program) pursuant to the Uniform Standard Code for Recreational Vehicles *Neb. Rev. Stat. §§ 71-4601 to 71-4620.01* (2012 Cum. Supp.). The seal fees are subject to a statutory minimum of Ten dollars (\$10.00) and a maximum of Seventy-five dollars (\$75.00) per recreational vehicle. The plan review fees are subject to a statutory minimum of Fifteen dollars (\$15.00) per hour and a maximum of Seventy-five dollars (\$75.00) per hour.¹

A Public hearing was held on September 2, 2015 in the Commission Hearing Room.

Mark Luttich, Director of the Commission's Housing Department, testified on behalf of the Staff. Director Luttich testified that for the revenue generated by the present fees to cover the current expenses of the Program, the current seal fee of Ten dollars (\$10.00) per seal and Fifteen dollars (\$15.00) per hour plan review fee would need to increase to Fifteen dollars (\$15.00) per seal and Twenty-five dollars (\$25.00) per hour plan review fee. Director Luttich also discussed the Department's current utilization of the services of independent contractors.

Director Luttich testified regarding the Public Service Commission Housing and Recreational Vehicle Cash Fund (Cash Fund). He reminded the Commission that in 2014, the fees in all three programs administered by the Department were set to generate less revenue than expenses to continue reducing the balance of the Cash

Fund. However, even with the reductions to the Cash Fund, the Cash Fund currently contains more than required to fund the Department's needs with a reasonable reserve.

To continue to reduce the Cash Fund balance, Director Luttich recommends the fees in the Program remain at the current level of Ten dollars (\$10.00) per seal and Fifteen dollars (\$15.00) per hour plan review fee.

The Commission has been monitoring the situation regarding the funding of the Recreational Vehicle Program and finds that the recommendation of Director Luttich is reasonable and that the fees for the Recreational Vehicle Program should remain at Ten dollars (\$10.00) per seal and Fifteen dollars (\$15.00) per hour plan review fee.

O R D E R

IT IS THEREFORE ORDERED by the Nebraska Public Service Commission that, pursuant to the Uniform Standard Code for Recreational Vehicles, the fees for the Recreational Vehicle Program should be Ten dollars (\$10.00) per seal and Fifteen dollars (\$15.00) per hour plan review fee, effective October 1, 2015.

ENTERED AND MADE EFFECTIVE at Lincoln, Nebraska, this 15th day of September, 2015.
