BY THE COMMISSION:

On April 29, 2009, the Nebraska Public Service Commission (Commission) received a formal complaint from Claire D. Runions, Minden (Complainant) against SourceGas LLC (Respondent).

Complainant did not file the appropriate filing fee as required by Neb. Admin. Code, Title 291, Ch. 1 § 025 which states, "For each application, complaint or petition filed with the Commission, there shall be a filing fee which shall be established and set forth in the official minutes at least annually." Complainant alleged in the complaint an inability to pay the filing fee.

The Commission finds that a waiver of the filing fee should be granted in order to aid the agency in resolving the pending dispute between the parties. The Commission further finds that such a waiver would not prejudice any other party and is unique to the present situation.

O R D E R

IT IS THEREFORE ORDERED by the Nebraska Public Service Commission that the filing fee in the present matter should be waived and the Complaint should be considered filed effective May 5, 2009.
