The State Natural Gas Regulation Act (Act) requires that the Commission assess its expenditures for each quarter-year against all jurisdictional utilities, subject to certain adjustments. See Neb. This order addresses the assessment for expenses during the first-quarter of fiscal year 2018-2019, July through September, 2018.

Actual fourth-quarter expenditures for the 2017-2018 fiscal year totaled \$114,238. Projected expenses for the first-quarter of the 2018-2019 fiscal year total \$125,550. The total balance in the State Natural Gas Regulation Cash Fund as of June 30, 2018, was \$199,891.

Appendix A shows the allocation of the assessed amount to the Jurisdictional Utilities, as required by Section 66-1841(4) of the Act. The allocated amounts are based upon number of meters served, as reported by the Jurisdictional Utilities on or about April 30, 2018, pursuant to Rule 006, of the Commission Natural Gas and Pipeline Rules and Regulations, See 291 NAC 9, § 006.
