gas public utilities.) SCHEDULING WORKSHOP
)
) Entered: April 2, 2009

BY THE HEARING OFFICER:

The Commission, on its own motion, opened this docket to investigate revenue decoupling and energy efficiency programs for natural gas public utilities.

The Commission previously held a workshop and received comments regarding revenue decoupling. This investigation is also intended to examine the operation and function of energy efficiency programs, the requisite Commission oversight, any benefits to ratepayers and resulting impacts to jurisdictional utilities.

The Hearing Officer finds that a workshop should be scheduled for **May 13, 2009, at 10:00 a.m.** in the Commission Hearing Room, 300 The Atrium, 1200 N Street, Lincoln, Nebraska for the purposes of receiving information regarding energy efficiency programs offered by jurisdictional utilities in other states.

Any jurisdictional utility wishing to make a presentation during the workshop shall notify the Commission in writing no later than **April 24, 2009**. Such notice should be sent via electronic mail to **rose.price@nebraska.gov** and should include estimate of the amount of time needed for the presentation so that we may properly plan.

Based upon the notices received, an agenda will be made available no later than **May 6, 2009**.

If auxiliary aids or reasonable accommodations are needed for attendance at the meeting, please call the Commission at (402) 471-3101. For people with hearing/speech impairments, please call the Commission at (402) 471-0213 (TDD) or the Nebraska Relay System at (800) 833-7352 (TDD) or (800) 833-0920 (Voice). Advance notice of at least seven days is needed when requesting an interpreter.
