gas public utilities.)
) Entered: November 8, 2011

BY THE COMMISSION:

On December 16, 2008, the Commission, on its own motion, opened this docket to investigate revenue decoupling and energy efficiency programs for natural gas public utilities. The Commission intended to collect information on revenue decoupling and energy efficiency programs.

Two workshops were held and comments received from interested parties. Specific decoupling mechanisms and energy efficiency programs have been proposed and examined in the context of general rate filings.

Therefore, the Commission finds that no further action is necessary at this time and that the docket should be closed.
