BY THE COMMISSION:

The Commission opened this docket on its own motion to receive and monitor 2010 filings regarding gas supply cost adjustment (GSCA) schedules filed by Source Gas Distribution LLC (SourceGas) pursuant to *Neb. Rev. Stat.* § 66-1854.

The Commission previously opened Docket No. NG-0057 on March 17, 2009, in order to receive and monitor filings regarding gas supply cost adjustment schedules filed by SourceGas Distribution LLC during 2009. As part of Docket No. NG-0057, the Commission conducted an informal review of SourceGas' GSCA and issued a report finding certain inconsistencies related to its P-0802 contracts and the GSCA. Comments on the consultant's report were filed by SourceGas on or about February 5, 2010.

Subsequently on February 16, 2010, SourceGas filed a 2010 tariff change to effect changes to the gas supply cost adjustment schedules to address the miscalculations identified in the consultant's report issued in Docket No. NG-0057 as well as additional adjustments identified by the company.

The Commission is in the process of reviewing the changes and has issued information requests to SourceGas. Pending the completion of its review, the Commission finds that the tariff changes filed on February 16, 2010, should be suspended pursuant to *Neb. Rev. Stat.* § 66-1808(3).
