) Entered: June 1, 2010

BY THE HEARING OFFICER:

The Commission opened this docket on its own motion to receive and monitor 2010 filings regarding gas supply cost adjustment (GSCA) schedules filed by Source Gas Distribution LLC (SourceGas) pursuant to Neb. Rev. Stat. § 66-1854. The Commission previously opened Docket No. NG-0057 on March 17, 2009, in order to receive and monitor filings regarding gas supply cost adjustment schedules filed by SourceGas Distribution LLC during 2009. As part of Docket No. NG-0057, the Commission conducted an informal review of SourceGas' GSCA and issued a report finding certain inconsistencies related to its P-0802 contracts and the GSCA.

On February 16, 2010, SourceGas filed a 2010 tariff change to effect changes to the gas supply cost adjustment schedules to address the miscalculations identified in the consultant's report issued in Docket No. NG-0057, as well as additional adjustments identified by the company. On March 9, 2010, the Commission suspended the tariff pending the completion of its review.

On May 4, 2010, the Commission set this matter for hearing on June 2, 2010, at 1:30 p.m. The parties are in the process of settling issues related to the tariff filing. Therefore, the Commission finds that the hearing should be continued to a date to be determined.
