Angela Melton and Joselyn Luedtke appeared on behalf of Commission staff. Based upon the conference, the following is adopted.

#### **General Instructions and Deadlines**

A. General Instructions. All evidence to be offered at hearing, objections thereto, and responses to those objections shall be filed by the dates set forth herein. A party offering exhibits as evidence at the hearing shall provide a copy to the court reporter. All prefiled exhibits must be numbered. All pages of each exhibit shall be numbered. Parties are encouraged to limit objections and to enter into stipulations in order to facilitate the presentation of evidence and completion of this proceeding.

B. Objections. All objections to prefiled evidence shall specifically and succinctly identify the testimony or exhibit to which the objection is directed and the specific objection raised regarding each exhibit. Failure to comply with the deadlines for objections will result in waiver of the objections.

Parties are responsible for maintaining an accurate service list. However, such discovery requests and responses shall not be filed with the Commission. Such discovery requests and responses shall not be part of the official record unless offered and accepted as exhibits during the hearing on the application. If using electronic mail, parties should send to [rose.price@nebraska.gov](mailto:rose.price@nebraska.gov).

Parties may meet filing deadlines outlined herein by sending an electronic copy of the filing via electronic mail to [rose.price@nebraska.gov](mailto:rose.price@nebraska.gov) so long as all parties are served via electronic mail contemporaneously with the email filing and a hard copy is received by the Commission within three (3) days of the email filing.

D. Discovery. All discovery responses are due within ten (10) days of service, unless otherwise agreed to by the Parties. Applicant has stated that it will schedule a conference with the Public Advocate to discuss information that may be provided in a shorter time frame.

Parties should reference Nebraska Discovery Rules for general guidance as to the conduct of discovery. Should this order conflict with any provision of the Nebraska Discovery Rules, this order controls. Parties should make efforts to resolve any discovery disputes.

E. Exhibits and Witnesses. Parties shall file an exhibit list. All exhibits shall be appropriately marked and each page of the exhibit numbered prior to the hearing. Any party seeking to request administrative notice of any document shall provide copies of said materials at the time of the hearing.
