BY THE COMMISSION:

By application filed April 22, 2013, Sage Energy Trading, LLC, (Sage) Tulsa, Oklahoma, seeks authority as a competitive natural gas provider (CNGP) in the State of Nebraska. Notice of the application was published in the *Daily Record*, Omaha, Nebraska, on March 8, 2012.

The deadline for filing a protest or petition for intervention was May 24, 2013. Because no protests or petitions for intervention are pending, the Commission may process this application by modified procedure, pursuant to the Commission Rules of Procedure, 291 Neb. Admin. Code, Ch. 1, Rule 018.03.

O P I N I O N A N D F I N D I N G S

The Commission finds that it has jurisdiction pursuant to *Neb. Rev. Stat.* §§ 66-1848 to 66-1849. Section 66-1849 provides in part:

The commission shall certify all competitive natural gas providers and aggregators providing natural gas services. In an application for certification, a competitive natural gas provider or aggregator shall reasonably demonstrate managerial, technical, and financial capability sufficient to obtain and deliver the services such provider or aggregator proposes to offer. The commission may establish reasonable conditions or restrictions on the certificate at the time of issuance.

In addition, Commission rules and regulations specify requirements for an application for authority as a CNGP. See, 291 Neb. Admin. Code, Ch. 9, Rule 011.

Sage is a limited liability company, with its principal office in Tulsa, Oklahoma. In support of its application, Sage filed its balance sheet. Sage also provided a copy of its Certificate of Authority to Transact Business in Nebraska. There have not been any legal actions or formal complaints pertaining to the provision of competitive natural gas services filed against Sage within the twelve months prior to filing this application, nor has Sage had a license or certificate to supply competitive natural gas service revoked, denied or withdrawn.
