authority for a Competitive Natural)
Gas Provider Certificate in the) AUTHORITY GRANTED
State of Nebraska.)
) Entered: August 18, 2015

BY THE COMMISSION:

By application filed, Eco-Energy, LLC, Franklin, Tennessee (Eco-Energy), seeks authority as a competitive natural gas provider (CNGP) in the State of Nebraska. Notice of the application was published in the *Daily Record*, Omaha, Nebraska, on July 13, 2015.

The deadline for filing a protest or petition for intervention was August 14, 2015. Because no protests or petitions for intervention are pending, the Commission may process this application by modified procedure, pursuant to the Commission Rules of Procedure, 291 Neb. Admin. Code, Ch. 1, Rule 018.03.

O P I N I O N A N D F I N D I N G S

The Commission finds that it has jurisdiction pursuant to Neb. Rev. Stat. §§ 66-1848 to 66-1849. Section 66-1849 provides in part:

The commission shall certify all competitive natural gas providers and aggregators providing natural gas services. In an application for certification, a competitive natural gas provider or aggregator shall reasonably demonstrate managerial, technical, and financial capability sufficient to obtain and deliver the services such provider or aggregator proposes to offer. The commission may establish reasonable conditions or restrictions on the certificate at the time of issuance.

In addition, Commission rules and regulations specify requirements for an application for authority as a CNGP. See, 291 Neb. Admin. Code, Ch. 9, Rule 011.

Eco-Energy is a Single Member limited liability company owned by Eco-Energy Global Biofuels, LLC (EEGB) with its principal office in Franklin, Tennessee. In support of its application, Eco-Energy filed audited consolidated financials of EEGB and its subsidiaries under seal. Eco-Energy also provided a copy of its Certificate of Authority to Transact Business in Nebraska. No legal actions or formal complaints pertaining to the provision of competitive natural gas services were pending against Eco-Energy within the twelve months prior to filing this application, nor has Eco-Energy had a license or certificate to supply competitive natural gas service revoked, denied or withdrawn.

In addition, Eco-Energy submitted a roster of its management team, with information regarding years of experience and operational

functions. Eco-Energy also provided an affidavit of one of the officers, attesting to the accuracy of the information included in the application.

Commission Staff Accountant Steve Stovall submitted a Report on Regulatory Compliance indicating that the financial statements submitted provide evidence of adequate financial resources necessary to obtain and deliver the services that Eco-Energy proposes to offer.

Based upon the information provided in the application and verified by affidavit, the Commission finds that the provisions of Neb. Rev. Stat. §§ 66-1848, 66-1849 and applicable Commission rules and regulations are met. Eco-Energy's application for authority should be granted, and Eco-Energy should be issued a certificate of authority as a competitive natural gas provider consistent with the conditions set forth in this order.
