

SECRETARY'S RECORD, NEBRASKA PUBLIC SERVICE COMMISSION

BEFORE THE NEBRASKA PUBLIC SERVICE COMMISSION

In the Matter of the Application) Application No. P-0008
of Aquila, Inc., Omaha,)
Nebraska, seeking resolution of)
a dispute under Nebraska Revised) ORDER DENYING MOTION FOR
Statute Section 57-1306.) CLARIFICATION
)
)
) Date: March 22, 2005

BY THE COMMISSION:

On February 23, 2005, the Commission entered an order in the above-captioned docket finding that Metropolitan Utilities District's (M.U.D.) proposed gas main extensions to serve the planned Stonecrest/Meridian Park subdivision are in the public interest.

On March 7, 2005, Aquila, Inc. (Aquila) filed a Motion for Clarification (Motion) requesting that the Commission clarify its February 23, 2005 order by requiring that M.U.D. follow an alternate piping plan presented during the hearing on this matter. M.U.D. filed its response on March 11, 2005.

The Commission finds that its February 23, 2005 order was not contingent on the M.U.D.'s use of the alternate piping plan. To modify the original order as requested by Aquila would result in a substantive change. The Commission therefore finds that Aquila's Motion should be denied.

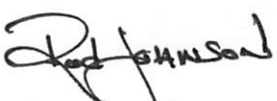

O R D E R

IT IS THEREFORE ORDERED by the Nebraska Public Service Commission that Aquila's Motion for Clarification is denied.

MADE AND ENTERED at Lincoln, Nebraska, this 22nd day of March, 2005.
