BY THE COMMISSION:

The Nebraska Public Service Commission (Commission) opened this docket on its own motion June 6, 2006, seeking to establish audit requirements related to the Wireless Enhanced 911 Fund. On April 10, 2007, the Commission entered an Order adopting remittance policies and establishing a waiver mechanism for certain qualifying carriers.

On September 30, 2008, the Commission entered an Order modifying and clarifying the remittance policy and waiver mechanism with respect to the Nebraska Universal Service Fund (NUSF). This Order addresses waiver requests filed by Coast to Coast Cellular; Iowa Wireless, PinPoint Wireless, Inc.; T-Mobile Central, LLC; Embarq Communications, Inc.; and STi Prepaid, for the audit due on December 31, 2011.

The Commission finds that Coast to Coast Cellular; Iowa Wireless, PinPoint Wireless, Inc.; and T-Mobile Central, LLC have met all other criteria established by the Commission in its September 30, 2008 order. The Commission finds that the requests should be granted for the E911 remittance audit otherwise due on December 31, 2011.

The Commission further finds that Embarq Communications, Inc. has annual revenues in excess of \$100,000 and exceeded the number of allowable late-filed remittance worksheets during the previous three years. STi Prepaid also exceeded the number of allowable late-filed remittance worksheets during the previous three years. Therefore the Commission finds that the requests from Embarq Communications, Inc.; and STi Prepaid should be denied.

IT IS THEREFORE ORDERED by the Nebraska Public Service Commission that the waiver requests filed by Coast to Coast Cellular; Iowa Wireless, PinPoint Wireless, Inc.; and T-Mobile Central, LLC related to the E911 remittance audit due on December 31, 2011, are granted.

IT IS FURTHER ORDERED that the waiver requests filed by Embarq Communications, Inc.; and STi Prepaid related to the E911 remittance audit due on December 31, 2011, are denied.
