BY THE COMMISSION:

   The Nebraska Public Service Commission (Commission) opened this docket on its own motion June 6, 2006, seeking to establish audit requirements related to the Wireless Enhanced 911 Fund. On April 10, 2007, the Commission entered an Order adopting remittance policies and establishing a waiver mechanism for certain qualifying carriers.

   On July 31, 2012, the Commission entered an Order amending the audit policy and waiver mechanism with respect to the Enhanced Wireless 911 Fund. This Order addresses waiver requests filed by the following list of carriers for the audit due on December 31, 2013:

       NE000675 CenCom, Inc.
       NE000830 Cox TMI Wireless, Inc.
       NE000857 Flash Wireless
       NE000395 Sagir, Inc.

   The Commission finds that the above named companies have met all criteria established by the Commission in its July 31, 2012 order. The Commission finds that the requests should be granted for the E911 remittance audit otherwise due on December 31, 2013.

O R D E R

   IT IS THEREFORE ORDERED by the Nebraska Public Service Commission that the waiver requests filed by CenCom, Inc., Cox TMI Wireless, Inc., Flash Wireless, and Sagir, Inc. related to the E911 remittance audit due on December 31, 2013, are granted.
