BY THE COMMISSION:

The Nebraska Public Service Commission (Commission) opened this docket on its own motion June 6, 2006, seeking to establish audit requirements related to the Wireless Enhanced 911 Fund. On April 10, 2007, the Commission entered an Order adopting remittance policies and establishing a waiver mechanism for certain qualifying carriers.

On July 31, 2012, the Commission entered an Order amending the audit policy and waiver mechanism with respect to the Enhanced Wireless 911 Fund. This Order addresses waiver requests filed by Cause Based Commerce, Inc., PNG Telecommunications, Inc., Ting, Inc., Alltel Communications of NE, Inc., Great Call, Inc., Omaha Cellular Telephone Company, and Sioux City MSA Limited Partnership for the audit due on December 31, 2015.

The Commission finds that Cause Based Commerce, Inc., PNG Telecommunications, Inc., and Ting, Inc. have met all criteria established by the Commission in its July 31, 2012, order. The Commission finds that the requests should be granted for the E911 remittance audit otherwise due on December 31, 2015.

The Commission further finds that Alltel Communications of NE, Inc., Great Call, Inc., Omaha Cellular Telephone Company, and Sioux City MSA Limited Partnership do not meet all criteria established by the Commission in its July 31, 2012, order. The Commission finds that the requests should be denied for the E911 remittance audit due on December 31, 2015.

O R D E R

IT IS THEREFORE ORDERED by the Nebraska Public Service Commission that the waiver requests filed by Cause Based Commerce, Inc., PNG Telecommunications, Inc., and Ting, Inc. related to the E911 remittance audit due on December 31, 2015, are granted.
