BY THE COMMISSION:

O P I N I O N A N D F I N D I N G S

The Nebraska Public Service Commission (Commission) opened this docket on its own motion June 6, 2006, seeking to establish audit requirements related to the Wireless Enhanced 911 Fund. On April 10, 2007, the Commission entered an Order adopting remittance policies and establishing a waiver mechanism for certain qualifying carriers.

On July 31, 2012, the Commission entered an Order amending the audit policy and waiver mechanism with respect to the Enhanced Wireless 911 Fund. This Order addresses the late-filed waiver request filed by Bandwidth.com, Inc. for the audit due on December 31, 2015.

The Commission finds that Bandwidth.com, Inc. has met all criteria established by the Commission in its July 31, 2012 order. The Commission therefore finds that the late-filed request should be granted for the E911 remittance audit otherwise due on December 31, 2015.

O R D E R

IT IS THEREFORE ORDERED by the Nebraska Public Service Commission that the waiver request filed by Bandwidth.com, Inc. related to the E911 remittance audit due on December 31, 2015, is granted.
