BY THE COMMISSION:

By written request for funding received January 18, 2007, Custer County Public Safety Answering Point, Broken Bow seeks funding from the Enhanced Wireless 911 Fund for expenses of implementing and providing enhanced wireless 911 service related to Viaero Wireless. Custer County has one public safety answering point (PSAP), which will provide enhanced wireless 911 service throughout Custer County. The local exchange carrier serving Custer County's PSAP is Qwest. Custer County was previously approved for funding by an order entered on April 2, 2002 for the following wireless carriers: Alltel and Western Wireless.

Custer County entered into a service agreement with Qwest for enhanced wireless 911 equipment and services. A copy of the agreement has been provided. In the agreement, Custer County authorized the Commission to remit all payments for enhanced wireless 911 service to Qwest.

Custer County now seeks initial costs and recurring costs to implement and provide enhanced wireless 911 service for Viaero as outlined in Appendix A attached hereto. Initial costs are for database upgrades, trunking infrastructure and purchase, installation, and testing of circuits for enhanced wireless 911. Recurring costs are monthly fees for database management and for operation and maintenance of trunks and circuits.

equipment and telecommunications services required for the provision of enhanced wireless 911 service.

Custer County has submitted a PSAP registration in compliance with Commission Docket 911-001.

Qwest County shall notify the Commission in writing that implementation has been completed.

Payment shall be adjusted based upon the number of subscribers and wireless towers reported quarterly as required by Neb. Rev. Stat. § 86-459 (2006 Cum. Supp.). Any adjustments to costs must be approved by the Commission.

The Commission further finds that Custer County is hereby put on notice that approval of this funding request is made with the understanding that it may be modified in the future, consistent with the permanent funding mechanism established pursuant to LB 1222 [2006].
