BY THE COMMISSION:

By written request for funding received November 20, 2008, Custer County, Broken Bow, sought funding from the Enhanced Wireless 911 Fund for expenses for implementing and providing enhanced wireless 911 service.

In its application, Custer County seeks **\$8,440.00** for one (1) year software maintenance covering January 25, 2009 through January 24, 2010.

Custer County provided supporting documentation for the equipment and associated expenses from its vendor. The Enhanced Wireless 911 Advisory Board considered Custer County's request at its January 26, 2009 meeting and recommended that the Commission approve payment in full.

O P I N I O N A N D F I N D I N G S

This request for additional funding is being processed pursuant to Neb. Rev. Stat. §§ 86-442 to 86-470. (Cum. Supp. 2008), 291 Neb. Admin. Code, Chapter 1, Section 5, Progression Order No. 5 in Commission Docket No. 911-001, entered July 16, 2002 and the Interim Policy established in Commission Docket No. 911-017/PI-116, (Interim Policy).

Based upon the request for funding, supporting documentation, and in consideration of the recommendation of the Advisory Board, the Commission is of the opinion and finds that costs requested are eligible under Neb. Rev. Stat. § 86-465 as all costs have been incurred or will be incurred for the purchase, installation, maintenance or operation of telecommunications equipment and telecommunications services required for the provision of enhanced wireless 911 service.

The Commission finds that maintenance of the equipment and software is essential to ensure the proper operation of the statewide 911 system and should be funded to the extent funds are

available during this interim period, subject to change based upon the availability of funds and the permanent funding mechanism.

Therefore, the request for funding should be granted in the amount of **\$8,440.00** for Evergreen software maintenance subject to the limitations set forth herein.

The Fund shall therefore pay to Custer County the amount of **\$8,440.00** consistent with the terms of this order. Custer County may request that these amounts be paid directly to the vendor.

The Commission reserves the right to modify any costs associated with this funding request consistent with amendments to the Interim Policy or the establishment of a permanent funding mechanism.

O R D E R

IT IS THEREFORE ORDERED by the Nebraska Public Service Commission that the Enhanced Wireless 911 Fund shall pay to Custer County or its designee the amount of **\$8,440.00** consistent with the terms of this order.

MADE AND ENTERED at Lincoln, Nebraska this 31st day of March, 2009.
