In its application, Merrick County seeks funding for five years software maintenance totaling **\$7,302.00** paid in annual installments commencing October 1, 2008. Merrick County has entered into a contract with GeoComm, Inc. (GeoComm) for the purchase, installation, training, and five-year maintenance of GeoLynx software and has provided a copy of the contract with its request for funding.

All amounts requested are consistent with GeoComm's response to the Commission's RFP as amended and approved by the Commission on June 24, 2008 in Docket No. 911-011/PI-79. In its contract with GeoComm, Merrick County authorizes the Nebraska Public Service Commission to remit payments directly to the vendor.
