implementation.) Entered: February 12, 2008

BY THE COMMISSION:

The Commission on its own motion intends by this order to amend the caption and clarify past orders entered in this docket with respect to the proper party receiving funds from the Enhanced Wireless 911 Fund. Previous orders in this docket have referenced Boyd-Holt Counties as the party applying for and receiving funding. However, the Public Safety Answering Point (PSAP) which serves these counties is operated by the Boyd-Holt Joint E911 Board (Joint Board).

All past payments under this docket were properly made to vendors in satisfaction of contracts with the Joint Board or have been reimbursements made to the Joint Board. References in past orders to Boyd-Holt Counties should be understood to refer to the PSAP serving those counties and operated by the Joint Board. Therefore, the Commission finds that the caption listed herein shall be amended to read as follows:

"In the Matter of Boyd-Holt Joint E911 Board, O'Neill, seeking funding approval for recurring and non-recurring costs of Enhanced Wireless 911 implementation."

All future funding requests or other filings submitted for the PSAP serving Boyd and Holt Counties shall be submitted on behalf of the Joint Board unless circumstances dictate otherwise.

O R D E R

IT IS THEREFORE ORDERED by the Nebraska Public Service Commission that the caption be amended and past orders clarified as set forth herein.

MADE AND ENTERED at Lincoln, Nebraska this 12th day of
February, 2008.
