BY THE COMMISSION:

On April 25, 2007, the Commission entered an order approving payment of expenses for Phase II enhanced wireless 911 service on behalf of Crete Police Department to Windstream. Saline County is served by two public safety answering points (PSAPs). It has come to our attention that the Saline County PSAP has been designated as the primary PSAP for the Saline County 911 service area. Therefore, payment should have been approved on behalf of Saline County rather than the Crete Police Department.

Therefore, the Commission finds that in order to ensure that the record is clear, it's April 25, 2007 order shall be amended to approve payment of expenses to Windstream for Phase II enhanced wireless service on behalf of Saline County PSAP.

All amounts and other terms in the April 25, 2007 order, remain unchanged and in effect.

O R D E R

IT IS THEREFORE ORDERED by the Nebraska Public Service Commission that its April 25, 2007 order, shall be amended to approve payment of expenses to Windstream for Phase II enhanced wireless service on behalf of Saline County PSAP consistent with the terms set forth herein.

MADE AND ENTERED at Lincoln, Nebraska this 8th day of May,
2007.
