On or about October 22, 2007, Action Communications, Inc. (Action) submitted an application for access to the Repository.

Hearing on this matter took place on March 11, 2008, at which time counsel for Action committed to providing information supporting the application in a late-filed exhibit. On August 5, 2008, after having not received the requested late filed exhibit, the Commission issued an order setting a deadline for providing the late filed exhibit. Subsequently, Action indicated it did not wish to pursue the matter further.

Therefore, based upon the record presented, the Commission finds that Action's request for access to the repository should be denied.

O R D E R

IT IS THEREFORE ORDERED by the Nebraska Public Service Commission that Action's application for access to the Repository is denied.
