Public Service Commission, on)
its own motion, seeking to)
administer funding for public) ORDER SETTING HEARING
safety answering points for the)
implementation and provision of)
Enhanced Wireless 911 service:)
City of Beatrice.) Entered: July 12, 2011

BY THE COMMISSION:

O P I N I O N A N D F I N D I N G S

On April 7, 2011, the City of Beatrice (Beatrice) filed its application for funding with the Commission pursuant to Docket No. 911-019/PI-118. In its application, Beatrice stated that it planned to use its funding to cover costs associated with a maintenance agreement with the Beatrice Board of Public Works. On June 28, 2011, The Commission entered an order approving Beatrice's application for funding. However, the Commission found that the maintenance agreement was ineligible for funding because the agreement was duplicative of other maintenance agreements in the application and it was unclear whether the agreement would specifically support wireless enhanced 911 service in Beatrice.

On or about June 29, 2011, Beatrice requested that the Commission reconsider Beatrice's request to use its funding to cover the cost of the maintenance agreement with the Beatrice Board of Public Works. Therefore, the Commission finds that a hearing should be set on the matter on **July 26, 2011 at 1:30 p.m. CDT** in the Commission Hearing Room, 300 The Atrium, 1200 N Street, Lincoln.

If auxiliary aids or reasonable accommodations are needed for attendance at the meeting, please call the Commission at (402) 471-3101. For people with hearing/speech impairments, please call the Commission at (402) 471-0213 (TDD) or the Nebraska Relay System at (800) 833-7352 (TDD) or (800) 833-0920 (Voice). Advance notice of at least seven days is needed when requesting an interpreter.
