BY THE COMMISSION:

O P I N I O N A N D F I N D I N G S

On or about March 30, 2010, the Nebraska Public Service Commission (Commission) opened the above-mentioned docket, on its own motion, seeking to administer funding for public safety answering points for the implementation and provision of Enhanced Wireless 911 service pursuant to the permanent funding mechanism approved under Docket No. 911-019/PI-118.

On April 22, 2010, the Rock County E-911 Public Safety Answering Point (Rock County) filed its application for funding with the Commission pursuant to Docket No. 911-019/PI-118.

Rock County, which services the areas of Rock County, is eligible for funding in the amount of \$21,680.68 for the 2010-11 funding year. Rock County has indicated that it anticipates using the funding provided for the following purposes: support contracts for 911 hardware and software, support contracts for GIS software support and map updates, other equipment, training, software and services to assist in the provision of wireless 911 service, and plans to set aside 75% of its funding for future equipment and software upgrades and purchases.

Prior funding commitments in the amount of \$12,149.00 were previously approved and must be deducted from the allocation. In addition, \$1,106.16 will be deducted from the allocation for Rock County's portion of funding approved for KBRC Regional E-911 prior to the implementation of the cost-model under Docket 911-023.82.

Based upon the above, the Commission finds that funding request for Rock County in the amount of \$8,425.52 should be approved consistent with the allocation determined in Docket 911-019/PI-118.

Pursuant to Docket 911-019/PI-118, Rock County is required to submit documentation to justify expenditures, including an

accounting of funds set aside for future equipment and software purchases, and update contact and other information no later than October 15 following the close of the funding year. If the Commission determines that any funds were not used appropriately, funding for the following funding year will be adjusted to recoup any necessary funds. All PSAPs are subject to audit.

O R D E R

IT IS THEREFORE ORDERED by the Nebraska Public Service Commission that the funding request for the Rock County E-911 Public Safety Answering Point is hereby approved as set forth herein in the amount of \$8,425.52.

IT IS FURTHER ORDERED that Rock County submit required documentation to justify all expenditures with approved funds no later than October 15 following the close of the funding year consistent with the terms of the order approving the permanent funding mechanism and process in Docket 911-019/PI-118 entered on February 23, 2010.

MADE AND ENTERED at Lincoln, Nebraska this 13th day of July, 2010.
