BY THE COMMISSION:

O P I N I O N A N D F I N D I N G S

On or about March 30, 2010, the Nebraska Public Service Commission (Commission) opened the above-mentioned docket, on its own motion, seeking to administer funding for public safety answering points for the implementation and provision of Enhanced Wireless 911 service pursuant to the permanent funding mechanism approved under Docket No. 911-019/PI-118.

On April 23, 2010, the City of Norfolk filed its application for funding with the Commission pursuant to Docket No. 911-019/PI-118.

Norfolk, which services the areas of Madison and Stanton Counties, is eligible for funding in the amount of \$70,561.78 for the 2010-11 funding year. Norfolk has indicated that it anticipates using the funding provided for the following purposes: purchase and installation of wireless 911 equipment, upgrades to equipment and software, maintenance costs, telecommunications services costs, training, and plans to set aside seventy-five percent (75%) of its funding for future equipment and software upgrades and purchases.

No prior funding commitments need to be deducted from the allocation.

Based upon the above, the Commission finds that funding request for Norfolk in the amount of \$70,561.78 should be approved consistent with the allocation determined in Docket 911-019/PI-118.

Pursuant to Docket 911-019/PI-118, Norfolk is required to submit documentation to justify expenditures, including an accounting of funds set aside for future equipment and software purchases, and update contact and other information no later than October 15 following the close of the funding year. If the

Commission determines that any funds were not used appropriately, funding for the following funding year will be adjusted to recoup any necessary funds. All PSAPs are subject to audit.

O R D E R

IT IS THEREFORE ORDERED by the Nebraska Public Service Commission that the funding request for the City of Norfolk is hereby approved as set forth herein in the amount of \$70,561.78.

IT IS FURTHER ORDERED that Norfolk submit required documentation to justify all expenditures with approved funds no later than October 15 following the close of the funding year consistent with the terms of the order approving the permanent funding mechanism and process in Docket 911-019/PI-118 entered on February 23, 2010.

MADE AND ENTERED at Lincoln, Nebraska this 13th day of July, 2010.
