costs of Wireless E911)
implementation.) Entered: August 26, 2003

BY THE COMMISSION:

By amended written request for funding filed August 3, 2003, Cheyenne County seeks funding from the Enhanced Wireless 911 Fund for expenses of implementing and providing enhanced wireless 911 service. In Application No. PSAP-018, Cheyenne County was approved for funding associated with implementation of Phase I of wireless E-911. In the present application, Cheyenne County requests funding to implement an additional wireless carrier, Indigo Wireless.

Cheyenne County seeks nonrecurring costs in the amount of \$2,579.90 and recurring costs in the amount of \$457.10 for additional equipment necessary to implement and provide wireless E-911 for Indigo Wireless customers in Cheyenne County.

Cheyenne County entered into a service agreement with Qwest for enhanced wireless 911 equipment and services. A copy of the agreement is attached to the request for funding. In the agreement, Cheyenne County authorized the Nebraska Public Service Commission to remit all payments for enhanced wireless 911 service to Qwest.

O P I N I O N A N D F I N D I N G S

This request for funding is being processed pursuant to Neb. Rev. Stat. §§ 86-442 to 86-469 (2002 Cum. Supp.), 291 Neb. Admin. Code, Chapter 1, Section 5, and Progression Order No. 5 in Commission Docket No. 911-001, entered July 16, 2002.

Costs requested are eligible under Neb. Rev. Stat. § 86-465 (2002 Cum. Supp.) All costs have been incurred or will be incurred for the purchase, installation, maintenance and operation of telecommunications equipment and telecommunications services required for the provision of wireless E-911.

Because Cheyenne County authorized Qwest to receive all payments on its behalf for wireless enhanced 911, the Commission finds that payment should be made to Qwest upon invoice. Only

invoices that comport with the approved costs in this order will be paid. Recurring costs requested for partial months must be pro rated.

Based upon the request for funding and supporting documentation, the Commission is of the opinion and finds that the request for funding should be granted. All costs of Nebraska Universal Service Fund (NUSF) surcharges and any legitimate government-imposed taxes or surcharges assessed on enhanced wireless 911 charges should also be paid.

O R D E R

IT IS THEREFORE ORDERED by the Nebraska Public Service Commission that Cheyenne County's request for additional funding shall be granted.

IT IS FURTHER ORDERED that upon invoice, the Commission shall remit to Qwest amounts that comport with this order.

IT IS FURTHER ORDERED that any government-imposed taxes or surcharges assessed on enhanced wireless 911 charges shall be paid.

MADE AND ENTERED at Lincoln, Nebraska this 26th day of August, 2003.
