implementation.                                     )  
  ) Entered: January 19, 2005

BY THE COMMISSION:

By written request for funding received December 1, 2004, Cass County, Plattsmouth, sought funding from the Enhanced Wireless 911 Fund for expenses of implementing and providing enhanced wireless 911 service. That application was granted on January 11, 2005, in Application No. PSAP-037.

On October 28, 2004, the Commission received an application from Cass County for the costs of Alltel's PEI Maars System PSC-16 Upgrade. Cass County seeks costs of \$5,720.00.

Cass County entered into a service agreement with Alltel for enhanced wireless 911 equipment and services. A copy of the agreement is attached to the original request for funding. In the agreement, Cass County authorized the Nebraska Public Service Commission to remit all payments for enhanced wireless 911 service to Alltel.

O P I N I O N       A N D       F I N D I N G S

This request for funding is being processed pursuant to Neb. Rev. Stat. §§ 86-2201 to 86-2214, 291 Neb. Admin. Code, Chapter 1, Section 5, and Progression Order No. 4 in Commission Docket No. 911-001 entered April 23, 2002.

Costs requested are eligible under Neb. Rev. Stat. § 86-2210 (2001 Supp.). All costs have been incurred or will be incurred for the purchase, installation, maintenance and operation of telecommunications equipment and telecommunications services required for the provision of enhanced wireless 911 service.

Cass County has submitted an implementation plan in compliance with Commission Docket No. 911-001.

Because Cass County authorized Alltel to receive all payments on its behalf for wireless enhanced 911, the Commission further finds that payment should be remitted to Alltel upon invoice. Only invoices that comport with the approved costs in

this order will be paid. Recurring costs requested for partial months must be prorated.

Based upon the request for funding and supporting documentation, the Commission is of the opinion and finds that the request for funding should be granted.

O R D E R

IT IS THEREFORE ORDERED by the Nebraska Public Service Commission that Cass County's request for funding should be granted.

IT IS FURTHER ORDERED that upon invoice from Alltel, the Commission shall remit to Alltel, amount that comports with this order.

MADE AND ENTERED at Lincoln, Nebraska this 19th day of January, 2005.
