BY THE COMMISSION:

O P I N I O N A N D F I N D I N G S

On June 27, 2006 the Nebraska Public Service Commission (Commission) opened the above-captioned docket establishing a procedure for administering the Telehealth Program and making adjustments to the approved Telehealth Plan.

The Commission enters this Order to change the funding year from a calendar year to a fiscal year. The Commission's annual cap of \$900,000 for funding the Telehealth Program will be determined by fiscal year rather than by calendar year. This finding modifies the Commission's order in NUSF-26 which originally set the program cap to \$900,000 annually by calendar year. The changes made by this order are administrative in nature and are not meant to adversely affect the telecommunications carriers or the hospitals participating in the Telehealth Program.

O R D E R

IT IS THEREFORE ORDERED by the Nebraska Public Service Commission that Telehealth Program funding year be and it is hereby modified as provided herein.

MADE AND ENTERED at Lincoln, Nebraska this 29th day of October, 2008.
