wireless 911 service; (c) costs to create or maintain any database or database elements used solely for enhanced wireless 911 service; and (d) other costs of establishing enhanced wireless 911 service.

Indigo Wireless submitted an implementation plan in compliance with Commission Docket No. 911-001.

Based upon the request for funding and supporting documentation, the Commission is of the opinion and finds that the request for funding should be granted under the following conditions.

Indigo Wireless has already implemented enhanced wireless 911 service in Banner County, Box Butte County, Cheyenne County, Dawes County, Deuel County, Garden County, Kimball County, Morrill County, Scottsbluff County, Sioux County, and Sheridan County. Funding for these counties pursuant to this Order shall continue.

All amounts previously approved will be paid according to the amounts set forth in Appendix A as of the effective date of this order. Information set forth in Appendix A shall be treated as proprietary and confidential.

Payment of all recurring charges shall be made in arrears on a quarterly basis. Payment shall be adjusted based upon the number of cell sites reported by Indigo Wireless in its quarterly reports required by Neb. Rev. Stat. § 86-459 (2006 Supp.) Payments to Indigo Wireless will no longer be made upon invoice. The Commission will not approve any increase in Wireless Carrier costs during the effectiveness of the interim policy, which was adopted by the Commission in Application No. 911-017/PI-116, Order Adopting Interim Policy, January 9, 2007. The Commission will continue to consider costs associated with new implementations.

Indigo Wireless shall comply with all reporting requirements set forth in § 86-459. Failure to do so could result in delay or loss of funding.

The Commission further finds that Indigo Wireless is hereby put on notice that approval of the funding pursuant to this Order is made with the understanding it may be modified in the future consistent with the permanent funding mechanism established pursuant to LB 1222 (2006).
