

SECRETARY'S RECORD, NEBRASKA PUBLIC SERVICE COMMISSION

BEFORE THE NEBRASKA PUBLIC SERVICE COMMISSION

In the Matter of US Cellular,) Application No. 911-022.11
Chicago, Illinois, seeking)
funding approval for recurring) ORDER APPROVING COSTS AND
and non-recurring costs of) INCORPORATING PRIOR DOCKETS
Enhanced Wireless 911)
implementation.) Entered: November 6, 2007

BY THE COMMISSION:

On October 24, 2007, the Commission entered an order approving costs and incorporating prior dockets related to US Cellular. The Order approved funding for properties acquired from Alltel effective the date of the Order.

However, the properties in question were acquired in August, 2006. Therefore, the funding for said properties should have been approved retroactively to September, 2006.

The Commission therefore finds that funding related to cell sites acquired by US Cellular from Alltel should be approved effective September, 2006. The Commission further finds that its October 24, 2007 Order shall be amended to reflect the appropriate date.

O R D E R

IT IS THEREFORE ORDERED by the Nebraska Public Service Commission that funding related to US Cellular properties acquired from Alltel shall be approved effective September, 2006.

MADE AND ENTERED at Lincoln, Nebraska, this 6th day of November, 2007.
