BY THE COMMISSION:

On or about December 13, 2021, the City of Holdrege ("Holdrege") public safety answering point ("PSAP"), which serves Harlan and Phelps Counties, filed a request to use set-aside funds to purchase new headsets and battery packs from Marvco Enterprises Inc. ("Marvco") for use in its dispatching system at a total cost of \$483.60.

The requested costs are subject to the wireless/wireline ratio. The wireless/wireline ratio for City of Holdrege for the 2021-2022 funding year is 77%.

The Wireless Enhanced 911 Advisory Board considered the request at its February 10, 2022, meeting and recommended the request be approved.

The funding mechanism adopted by the Commission permits PSAPs to set aside up to seventy-five percent (75%) of their annual funding allocation for future purchases of equipment and software.⁵ PSAP costs for computer equipment are eligible for funding.⁶ The amount eligible for funding using set-aside funds would be \$372.37 when utilizing the wireless ratio for City of Holdrege.

Based on the above, the Commission finds that use of set-aside funding by City of Holdrege should be approved in an amount up to **\$372.37**.

O R D E R

IT IS THEREFORE ORDERED by the Nebraska Public Service Commission that the funding request City of Holdrege is hereby approved in an amount up to **\$372.37**.

ENTERED AND MADE EFFECTIVE at Lincoln, Nebraska this 15th day of March, 2022.
