BY THE COMMISSION:

O P I N I O N A N D F I N D I N G S

The Nebraska Public Service Commission (Commission) opened this docket on its own motion June 6, 2006, seeking to establish audit requirements related to the Wireless Enhanced 911 Fund. On April 10, 2007, the Commission entered an Order adopting remittance policies and establishing a waiver mechanism for certain qualifying carriers. On July 31, 2012, the Commission entered an Order amending the audit policy and waiver mechanism with respect to the Enhanced Wireless 911 Fund.

This Order addresses the late-filed waiver requests filed by Pinpoint Communications, Inc. (NE000410), Puretalk Holdings, LLC (NE000897), and WWC License, LLC (NE000408) for the audit due on December 31, 2014. The Commission finds that the late-filed waiver requests received by Pinpoint Communications, Inc., Puretalk Holdings, LLC and WWC License, LLC should be accepted.

In addition, the Commission Staff reviewed the waiver requests to determine whether the requests met the Commission's conditions for a waiver. Based upon that review, the Commission Staff recommended the Commission grant the waiver requests filed by the carriers listed above. The Commission finds Pinpoint Communications, Inc., Puretalk Holdings, LLC and WWC License, LLC have met all criteria established by the Commission in its July 31, 2012 order. Accordingly, the Commission further finds the waiver requests should be granted for the E911 remittance audit due on December 31, 2014.

O R D E R

IT IS THEREFORE ORDERED by the Nebraska Public Service Commission that the waiver requests filed by Pinpoint Communications, Inc., Puretalk Holdings, LLC, and WWC License, LLC related to the E911 remittance audit due on December 31, 2014, are granted.
