BY THE COMMISSION:

On or about April 14, 2009, Custer County, Broken Bow, (Custer County) filed a funding request seeking \$624.52 from the Enhanced Wireless 911 Fund (Fund) for the purchase and installation of IP phones.

On April 25, 2007, after hearing, the Commission entered an order approving funding to Custer County for two IP phones located at the two 911 workstations but denying those portions of the funding request related to a single IP phones located at a supervisor's desk and used for backup purposes. Based upon information contained in Custer County's most recent funding request it is unclear whether the request is duplicative of the prior request or whether these are additional phones necessary for the operation of the 911 equipment beyond those already purchased.

In order to make a determination regarding Custer County's funding request, the Commission finds that the matter should be set for hearing. Therefore, hearing on this matter is set for **September 29, 2009 at 2:00 p.m.** in the Commission Hearing Room, 300 The Atrium, 1200 N Street, Lincoln.

If auxiliary aids or reasonable accommodations are needed for attendance at the meeting, please call the Commission at (402) 471-3101.
