BY THE COMMISSION:

The Commission on its own motion intends by this order to amend the caption and clarify past orders entered in this docket with respect to the proper party receiving funds from the Enhanced Wireless 911 Fund. Previous orders in this docket have referenced Harlan and Phelps Counties as the party applying for and receiving funding. However, the Public Safety Answering Point (PSAP) which serves these counties is actually operated by the Holdrege Police Department and the City of Holdrege.

All past payments under this docket were properly made to vendors have been in satisfaction of contracts with the City of Holdrege or have been reimbursements made to the City of Holdrege. References in past orders to Harlan and Phelps Counties should be understood to refer to the PSAP serving those counties and operated by the City of Holdrege. Therefore, the Commission finds that the caption listed herein shall be amended to read as follows:

"In the Matter of City of Holdrege, Nebraska, seeking funding approval for recurring and non-recurring costs of Enhanced Wireless 911 implementation."

All future funding requests or other filings submitted for the PSAP serving Harlan and Phelps Counties shall be submitted on behalf of the City of Holdrege unless circumstances dictate otherwise.

O R D E R

IT IS THEREFORE ORDERED by the Nebraska Public Service Commission that the caption be amended and past orders clarified as set forth herein.
