BY THE COMMISSION:

O P I N I O N A N D F I N D I N G S

The Nebraska Public Service Commission (Commission) opened Docket No. 911-023 on August 8, 2006 and incorporated all prior dockets related to funding for public safety answering points (PSAPs) as outlined in Appendix A to that order.

For the sake of simplifying the system for docketing requests related to enhanced wireless 911, all PSAP requests for funding are docketed and processed under Docket 911-023. Each PSAP is assigned a specific number under this docket (e.g. 911-023.1, 911.023.2, etc.) Stanton County was erroneously included in Docket No. 911-023.39 with Norfolk Police Department. Stanton County should have been incorporated into a separate number.

Therefore, PSAP-GISD-039 and any other docket, including all orders, requests for funding and any other documentation contained therein relating to Stanton County funding requests are hereby incorporated into Docket No. 911-023.55. All future funding requests made by Stanton County will be docketed under No. 911-023.55.

O R D E R

IT IS THEREFORE ORDERED by the Nebraska Public Service Commission that PSAP-GISD-039 and any other docket, including all orders, requests for funding and any other documentation contained therein relating to Stanton County funding requests are hereby incorporated into Docket No. 911-023.55.

IT IS FURTHER ORDERED that all future funding requests made by Stanton County will be docketed under No. 911-023.55.

MADE AND ENTERED at Lincoln, Nebraska, this 3rd day of April, 2007.
