

BEFORE THE NEBRASKA PUBLIC SERVICE COMMISSION

In the Matter of Rock County,                    ) Application No. 911-023.60  
Public Safety Answering Point,                )  
Bassett, seeking funding                        )  
approval for recurring and non-                ) ORDER AMENDING PRIOR ORDER  
recurring costs associated with                ) APPROVING FUNDING  
Enhanced Wireless 911                            )  
implementation.                                    ) Entered: August 28, 2007

BY THE COMMISSION:

On May 15, 2007, the Commission entered an order approving funding for Rock County for the purchase and installation of software necessary for enhanced wireless 911 service. Rock County had entered into a contract with GeoComm, Inc. (GeoComm) for the purchase, installation, training, and one-year maintenance of GeoLynx software and ordering that payment be made to GeoComm. The order, pursuant to the terms of the contract, directed that payment be made to GeoComm.

However, after the filing of its funding request, Rock County made payment to GeoComm in the amount of **\$9,050.00** and had requested that it receive reimbursement rather than payment being made to GeoComm. Rock County and GeoComm have provided documentation that the payment has been made.

Therefore, the Commission finds that the May 15, 2007 order should be amended to require that reimbursement be made to Rock County in the amount of **\$9,050.00**.

O R D E R

IT IS THEREFORE ORDERED by the Nebraska Public Service Commission that the Commission shall remit to Rock County from the Enhanced Wireless 911 Fund **\$9,050.00** for non-recurring costs as described herein.

MADE AND ENTERED at Lincoln, Nebraska this 28th day of August, 2007.
