

BEFORE THE NEBRASKA PUBLIC SERVICE COMMISSION

In the Matter of the Nebraska) Application No. 911-024.20.02
Public Service Commission, on)
its own motion, seeking to)
develop policies and process) ORDER GRANTING AMENDED ACCESS
requests for access to GIS data)
and the GIS Repository: GeoComm)
) Entered: August 6, 2013

BY THE COMMISSION:

O P I N I O N A N D F I N D I N G S

On or about August 8, 2006, the Nebraska Public Service Commission (Commission) opened the above-captioned docket, on its own motion, to develop policies and process requests for access to GIS data and the GIS Repository.

In an order entered on August 30, 2005 in docket No. 911-011/PI-97, the Commission approved the development of proper GIS data and map databases for public safety answering points (PSAPs) or supplementation of existing map databases necessary for Phase II service. The Commission has since approved funding for the development of GIS data for several PSAPs.

On April 4, 2006, the Commission also approved funding for a centralized data repository (Repository) for the GIS data, in order to allow for maintenance of the data and access to the data by individual PSAPs and the Commission.

On April 9, 2013, the Commission approved an amended GIS Data Repository Access and Use Policy and a procedure for entities to request access to the Repository.

On or about July 23, 2013, GeoComm submitted a request to amend its access to the Repository for 911 purposes to include GIS data for Keith County. The Commission finds that the request should be granted and the existing password expanded to allow access to the additional data.

GeoComm shall abide by the Commission GIS Access and Use Policy, attached hereto as Appendix A. Failure to do so could result in a loss of access to the Repository. The Commission reserves the right to amend the Policy at any time.

The Commission does not warrant the accuracy or completeness of the data maintained in the Repository.

O R D E R

IT IS THEREFORE ORDERED by the Nebraska Public Service Commission that GeoComm's application for amended access to the GIS Repository is granted.

IT IS FURTHER ORDERED that GeoComm shall be bound by the Commission's GIS Access and Use Policy attached hereto as Appendix A as may be amended.

MADE AND ENTERED at Lincoln, Nebraska, this 6th day of August, 2013.
