On July 3, 2007, the Nebraska Public Service Commission (Commission) opened this proceeding, on its own motion, to investigate reimbursement of costs from the Enhanced Wireless 911 Fund, related to consolidation of Public Safety Answering Points (PSAPs).

The Commission sought comment on a variety of issues, however, none were received. The development of the permanent funding mechanism in Docket No. 911-019/PI-118 supersedes the issues presented in this docket as any of the eligible costs for enhanced wireless 911 service are included in the proposed mechanism. Therefore, the Commission finds that this docket should be closed.

O R D E R

IT IS THEREFORE ORDERED by the Nebraska Public Service Commission that the above-captioned docket, be and is closed.

MADE AND ENTERED at Lincoln, Nebraska this 20th day of January, 2010.
