On or about March 30, 2010, the Nebraska Public Service Commission (Commission) opened the above-mentioned docket, on its own motion, seeking to administer funding for public safety answering points for the implementation and provision of Enhanced Wireless 911 service pursuant to the permanent funding mechanism approved under Docket No. 911-019/PI-118.

On April 1, 2010, Nemaha County filed its Application for Funding (Application) with the Commission pursuant to Docket No. 911-019/PI-118.

Nemaha County, which serves the areas of Nemaha County, is eligible for funding of up to \$28,479.47 for the 2010-11 funding year. Nemaha County states that the funds will be used for fifty-five percent (55%) of the cost of hardware and software maintenance; fifty-five percent (55%) of the costs of 911 trunking; and personnel training related to wireless 911 calls. Nemaha County also intends to set aside up to seventy-five percent (75%) of its funding for future replacement and upgrade of its 911 system.

No prior funding commitments were previously approved and must be deducted from the allocation.

Based upon the above, the Commission finds that funding request for Nemaha County in the amount of \$28,479.47 should be approved consistent with the allocation determined in Docket 911-019/PI-118.

Pursuant to Docket 911-019/PI-118, Nemaha County is required to submit documentation to justify expenditures, including an accounting of funds set aside for future equipment and software purchases, and update contact and other information no later than October 15 following the close of the funding year. If the

Commission determines that any funds were not used appropriately, funding for the following funding year will be adjusted to recoup any necessary funds. All PSAPs are subject to audit.

O R D E R

IT IS THEREFORE ORDERED by the Nebraska Public Service Commission that the funding request for Nemaha County is hereby approved as set forth herein in the amount of \$28,479.47.

IT IS FURTHER ORDERED that Nemaha County submit required documentation to justify all expenditures with approved funds no later than October 15 following the close of the funding year consistent with the terms of the order approving the permanent funding mechanism and process in Docket 911-019/PI-118 entered on February 23, 2010.

MADE AND ENTERED at Lincoln, Nebraska this 15th day of June, 2010.
