BY THE COMMISSION:

O P I N I O N A N D F I N D I N G S

On or about March 30, 2010, the Nebraska Public Service Commission (Commission) opened the above-mentioned docket, on its own motion, seeking to administer funding for public safety answering points for the implementation and provision of Enhanced Wireless 911 service pursuant to the permanent funding mechanism approved under Docket No. 911-019/PI-118.

On March 24, 2016, City of Grand Island (Grand Island) filed its application for funding with the Commission pursuant to Docket No. 911-019/PI-118. Grand Island, which serves Hall County, is eligible for funding in the amount of up to **\$115,570.08** for the 2016-17 funding year.

Grand Island has indicated that it anticipates using the funding provided for a portion of two dispatchers wages, and plans to set aside the remainder of its funding for future equipment and software upgrades and purchases.

No prior funding commitments exist.

Based upon the above, the Commission finds that the funding request for Grand Island in the amount of up to \$115,570.08 should be approved consistent with the allocation determined in Docket 911-019/PI-118 paid in monthly installments of \$10,506.37 over eleven months.

Pursuant to Docket 911-019/PI-118, Grand Island is required to submit documentation to justify expenditures, including an accounting of funds set aside for future equipment and software purchases, and update contact and other information no later than October 15, following the close of the funding year. If the Commission determines that any funds were not used appropriately,

IT IS FURTHER ORDERED that Grand Island submit required documentation to justify all expenditures with approved funds no later than October 15, following the close of the funding year consistent with the terms of the order approving the permanent funding mechanism and process in Docket 911-019/PI-118 entered on February 23, 2010.
